Understanding the gospel, concern for people, love for the Savior: these form the underlying theme of Faith Precedes the Miracle. In nearly three decades as a General Authority, President Kimball has spoken forthrightly to members of the Church, warning of the deceits of Satan and pointing out the road back for those who have erred and who yearn for reconciliation with the Lord. This book is based on some of his sermons and messages, but each one has been edited and revised to a reading style while retaining the basic, highly personal mode of expression. The subjects reflect a genuine concern for how Latter-day Saints can find joy and happiness through living gospel principles, including testimony and revelation, marriage and the family, morality and repentance, righteousness, and the restored church. Each message is an important, direct statement of gospel principles.
