In 2005, Captain Gene Schnagl and his wife, Kathy set out on their Great Loop adventure. Accompanied only by their white Standard Poodle, Deedee, they were soon to encounter challenges that they had not anticipated before the start of what was to become an almost 7,000 mile circumnavigation of the eastern United States. Through personal experience they learned to overcome their fear and anxiety of such an undertaking and completed the adventure of a lifetime. Fear Knot was written to allow those boaters who share this daring dream called America's Great Loop to successfully accomplish this goal, without the fears of the unknown. A path to knowing the answers to many of their questions before they start their engines or set their sails. Fear Knot is the book that Capt. Gene and Kathy were looking for before they made their decision to begin America's Great Loop. That book has finally arrived. Begin your adventure and Fear Knot!
