Lesbian Step-Sister: should we be doing this? Audrey Bloom

Angie and her older step-sister Logan hadn't spoken in years but their cousin's bridesmaid night out suddenly threw them together again. And they reconnect in a shocking way in a dark club. No matter what Angie does to shake the ghost of that night – even having random sex with a hot guy – she can't ignore what happened. It should be simple to meet Logan after hours inside the big department store where she works and explain it was a mistake. But alone in the huge store the truth comes out and the two young women will have a new family secret that binds them together.

This is a hardcore taboo short story featuring graphic sex (MF, FF) and should only be read by appropriate audiences.
