**Wicked Appetite (Lizzy and Diesel)** Janet Evanovich

**Lizzy Tucker** has inherited a historic house in Marblehead, Massachusetts, taken a new job as pastry chef for Dazzle's Bakery in Salem, and set her sights on a comfortable future. The comfortable future and any hope for normalcy evaporates when dark haired, dark hearted Gerewulf Grimoire and his nemesis, a blond beach bum named Diesel, enter Dazzle's and change Lizzy's life forever.

**Grimoire** has set his sights on the Stones of SALIGIA, rumored to have found their way to Salem. These seven stones, each representing one of the seven deadly sins, can bestow frightening powers upon its owner. Powers that would be dangerous in Grimoire's hands...

**Diesel** is a man with a mission: To stop Grimoire at all costs. In order to do so he'll need to convince the baker she alone has the ability to keep Grimoire from the stones. Once Lizzy and Diesel become a team, Diesel will have to guard Lizzy's body...day and night.

**The Seven Deadly Sins** pretty much cover everything that's wicked. Diesel thinks they also pretty much cover everything that's fun. And Lizzy thinks Diesel and The Sins cover everything her mother warned her about...
