Arnold Schoenberg's Journey Allen Shawn

A composer's study and celebration of a difficult but influential artist, his work, and his time

Proposing that Arnold Schoenberg (1874-1951) has been more discussed than heard, more tolerated than loved, composer Allen Shawn puts aside ultimate judgments about Schoenberg's place in musical history to explore the composer's fascinating world in a series of "linked essays--soundings" that are more searching than analytical, more suggestive than definitive. In an approach that is unusual for a book of an avowedly introductory character, the text plunges into the details of some of Schoenberg works, while at the same time providing a broad overview of his involvement in music, painting and the history through which he lived. Emphasizing music as an expressive art of rhythms and tones, Shawn approaches Schoenberg primarily from the listener's point of view, uncovering both the seeds of his radicalism in his early music and the traditional bases of his later work. Although liberally sprinkled with musical examples, the text can be read without them. By turns witty, personal, opinionated and instructive, "*Arnold Schoenberg's Journey*" is above all an appreciation of a great musical and artistic imagination in a time unlike any other.

From reader reviews:

Hannelore Evans:

What do you think about book? It is just for students as they are still students or this for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great and important the book Arnold Schoenberg's Journey. All type of book are you able to see on many options. You can look for the internet resources or other social media.

Christopher Henricks:

Do you have something that you want such as book? The book lovers usually prefer to pick book like comic, limited story and the biggest an example may be novel. Now, why not trying Arnold Schoenberg's Journey that give your enjoyment preference will be satisfied simply by reading this book. Reading routine all over the world can be said as the means for people to know world much better then how they react when it comes to the world. It can't be said constantly that reading routine only for the geeky person but for all of you who wants to become success person. So , for every you who want to start examining as your good habit, it is possible to pick Arnold Schoenberg's Journey become your own starter.

Matthew Brown:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you have problem with the book than can satisfy your small amount of time to read it because all of this time you only find publication that need more time to be go through. Arnold Schoenberg's Journey can be your answer mainly because it can be read by you actually who have those short free time problems.

Jessica Seymore:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Arnold Schoenberg's Journey can make you really feel more interested to read.
