US Marine Travis Deacon takes his rugby, friends and drinking very seriously. When his best friend Gareth, an SAS Major, is killed in car accident, Travis becomes suspicious. He investigates, and discovers that Gareth was murdered. But he's not the only one after the killers. Gareth's sister, Detective Sgt. Dee Jones knows there's something shady about her brother's death, and a car accident is the least of it.

As she and Travis hunt Gareth's killer, they discover that Gareth was murdered because he'd unearthed something big, lethal and global—and the terrorists behind it. They would also soon learn that the terrorists and the betrayals started a lot closer to home than they could ever have imagined. HELLFIRE is an action-packed thriller filled with espionage, murder and a budding romance—all against the lush, lovely countryside of Wales.

“Strap yourself in for Rickard B DeMille's HELLFIRE, a page-turner full of humor, reluctant romance, and plot twists that will have you writhing in your seat.”

--Margaret Bailey, author of Diamond in the Sky and the Waves of Amber trilogy
