Nueva Narrativa Española (Spanish Edition) Autores Varios

"En los últimos años ha surgido en España una literatura innovadora, escrita por autores que, al mismo tiempo que reivindican la herencia de la modernidad más exigente, buscan formas narrativas originales, más adecuadas a los desafíos del siglo XXI que los modelos dominantes en la novelística de las décadas pasadas. Aparte de la creatividad formal y estilística, estos escritores comparten el interés por los medios audiovisuales (cine, internet, videojuego) y la reconciliación de la cultura pop con planteamientos estéticos y teóricos posmodernos. Los catorce estudios reunidos en este volumen comentan obras de —entre otros— Jorge Carrión, Agustín Fernández Mallo, Juan Francisco Ferré, Robert Juan-Cantavella, Vicente Luis Mora, Javier Moreno, Isaac Rosa y Manuel Vilas."
