Alice Close Your Eyes Averil Dean

"If I didn't know better I'd swear that Gillian Flynn (GONE GIRL) and E.L. James (FIFTY SHADES OF GREY) got together, had a few drinks and decided to write a book. If you're a fan of dark and unlikable characters that have a lot of unconventional (okay downright violent) sex, then this psychological thriller bordering on erotica book is for you."—Goodreads Reviewer

With haunting prose and deft psychological insight, Averil Dean spins a chilling story that explores the dark corners of obsession—love, pain and revenge. Ten years ago, someone ruined Alice Croft's life. Now, she has a chance to right that wrong—and she thinks she's found the perfect man to carry out her plan. After watching him for weeks, she breaks into Jack Calabrese's house to collect the evidence that will confirm her hopes. When Jack comes home unexpectedly, Alice hides in the closet, fearing for her life. But upon finding her, Jack is strangely calm, solicitous—and intrigued. That night is the start of a dark and intense attraction, and soon Alice finds herself drawn into a labyrinth of terrifying surrender to a man who is more dangerous than she could have ever imagined. As their relationship spirals toward a breaking point, Alice starts to see just how deep Jack's secrets run—and how deadly they could be. *Previously published.*
