Ningún país está tan lejos como para no visitarlo. Esa es la filosofía de Andrés. Hace tres años huyó de su casa, su familia y su país, y desde entonces recorre el mundo sin ningún plan excepto su propio antojo. Casi ha conseguido borrar de la memoria a quien no quiere recordar. Hasta que una mañana, tras una noche especialmente descontrolada, recibe una llamada que dará un giro radical a su vida y le obligará a volver a donde no quiere regresar.

Su tío Caleb ha sufrido un accidente y no pinta nada bien.

Andrés no tiene otro remedio que volver al pueblo que abandonó sumido en el dolor y quedarse allí por un tiempo que se le antoja eterno. Allí descubre que su mejor amigo de la infancia ha ocupado su lugar. Hace su trabajo, se ha convertido en la mano derecha de su tío y es el inseparable compañero de su exnovia, Paula. Y a Andrés todo eso le parece maravilloso. Odia trabajar en el campo, y tampoco le importa mucho que Caleb solo tenga buenas palabras para su antiguo amigo (ese al que va a partir la cara en cuanto se cruce en su camino) y desde luego, le parece estupendo que esté tan unido a Paula, esa zorra que le destrozó la vida y a la que no consigue olvidar.

From reader reviews:

Ashley Parra:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want sense happy read one with theme for entertaining such as comic or novel. The actual Bajo el calor de tu piel (Ardiente Verano) (Spanish Edition) is kind of reserve which is giving the reader capricious experience.

Diana Pearson:

Reading a publication tends to be new life style in this particular era globalization. With studying you can get a lot of information that may give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Bajo el calor de tu piel (Ardiente Verano) (Spanish Edition).

Charlene Johnson:

Playing with family within a park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Bajo el calor de tu piel (Ardiente Verano) (Spanish Edition), you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Kelly Gomes:

As a student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Bajo el calor de tu piel (Ardiente Verano) (Spanish Edition) can make you sense more interested to read.
