What is Christmas all about? Is it just about getting presents?

Join Charlie as he embarks on the adventure of a life-time and discovers the true reason for the season!

## **Unfamiliar with Charlie Jenkins?**

Readers first fell in love with the ten year old outcast in Elle Bee's short adventure, Charlie and the Bee, in which, Charlie was taken on his first "Field Trip" with his new teacher (a talking bumblebee). Next, Charlie starred in the children's fiction novella, The Evidence, and was confronted with child trafficking, refugees, and a thing called Christianity. Lately, we have been following Charlie on a holiday tour and have been able to see him experience what several holidays truly mean and meet the historic figures essential to their formation.. Now, here Charlie is again, and he has some things to learn about Christmas.

Each Charlie adventure can be fully enjoyed as a stand alone story.
