The Utter Zoo: An Alphabet by Edward Gorey Edward Gorey

Twenty-six curious creatures--from the fastidious Ampoo to the world's one and only Zote--fill the pages of *The Utter Zoo*, an alphabet from the untamed imagination of Edward Gorey. The Boggerslosh, the Crunk, and the Dawbis; the Ippagogy, the Jelbislup, and the Kwongdzu; the Scrug, the Twibbit, and the Ulp--each strange and wonderful zoomate displays its own primary characteristic, described in Gorey's inimitable, droll, rhyming couplets.

A writer and artist with an instantly recognizable style, Gorey (American, 1925-2000) created over one hundred works and was also a playwright, an award-winning set and costume designer, and the creator of the animated introduction to the PBS series *Mystery!* First published in 1967, *The Utter Zoo* is a favorite of Gorey fans, young and old alike--no matter how well they know their ABCs.
