A collection of stories based on the characters from The Cellist. Find out what really happened that night at Crimson 8, when Stanton rejected Thayer. Discover where Bruno and Lyon's tumultuous relationship leads, what happened that night between Jalen and Piper and what happened next. Follow Thayer's story into the future, to find out if he gets the happily ever after he deserves. And settle down for a cosy Christmas dinner with the entire cast, as they give Roman full control over the holiday. There are two sides to every story. And sometimes the story doesn't end on the last page.
