Codex Vía Láctea I_es (Spanish Edition) Michele Santonastaso

"Este es el diario de un viaje. . ."_x000D__x000D_Es un galope sobre una desvencijada Motoguzzi atravesando las tierras de España, "las grandes, las solas, desiertas llanuras", que conducen mediante los caminos jacobeos a Santiago de Compostela y al Atlántico, meta última del peregrinaje. Es al mismo tiempo una novela negra entre realidad y fantasía, una investigación histórico-teológica_x000D__x000D_entorno a aquellos siglos oscuros que van desde la muerte de Cristo hasta el siglo Iv. Entre ensayo y estudio de "Paleodemología Comparada" dirigido sobretodo a la análisis de la "técnica de la suplantación del mito", es también una indagación sobre uno de los más grandes personajes históricos, deliberadamente olvidado de la Hispania visigoda, en el escenario del ocaso del Imperio Romano de Occidente: Prisciliano. Un esbozo filosófico sobre el recorrido de la humanidad que camina desde milenios siguiendo la Vía Láctea y sobre los entrelazados laberintos marcados por las "coincidencias cósmicas", que pautan sus destinos.

From reader reviews:

Carl White:

Nowadays reading books be a little more than want or need but also get a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want feel happy read one with theme for entertaining for example comic or novel. Typically the Codex Vía Láctea I_es (Spanish Edition) is kind of guide which is giving the reader capricious experience.

Grady Long:

Do you have something that you like such as book? The book lovers usually prefer to select book like comic, limited story and the biggest the first is novel. Now, why not trying Codex Vía Láctea I_es (Spanish Edition) that give your entertainment preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the opportunity for people to know world better then how they react toward the world. It can't be stated constantly that reading habit only for the geeky individual but for all of you who wants to become success person. So , for every you who want to start reading as your good habit, you may pick Codex Vía Láctea I_es (Spanish Edition) become your own starter.

Michael Anderson:

It is possible to spend your free time you just read this book this reserve. This Codex Vía Láctea I_es (Spanish Edition) is simple to bring you can read it in the park, in the beach, train and soon. If you did not get much space to bring often the printed book, you can buy the particular e-book. It is make you simpler to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Lorraine Cox:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Codex Vía Láctea I_es (Spanish Edition) can make you feel more interested to read.
