## **Coming Of Age Movies: Growing up on screen** Georgi Krastev

I am a fan of Coming of Age movies. Over the years, I've found there is a dearth of good reference books on the genre. So I've decided to write one, both to provide a readily available resource for fellow fans of this genre (who may be looking for guide to films they'd like to view) and, secondly, to preserve the many reviews I've written over the years on my blog: theskykid.com. This is primarily a book of reviews of films in the Coming of Age genre. But the book also contains several interviews with some of the most notable of Coming of Age filmmakers of our age. Their insights into the making of films is something I wanted to share with fans of the genre.
