## Log 3

Like a ship captain's logbook, Log records observations of one's surroundings, in particular of movements in architecture and contemporary culture. Log fills the void in American architectural publishing that has existed since the closing of ANY and the journal Assemblage by providing a venue for criticism and a discussion of contemporary work and ideas.

Edited by Cynthia Davidson, (editor of ANY), Log includes articles by established scholars and critics as well as the work of emerging writers. Log 3 features essays by Francesco Dal Co, Charles Jencks, Wes Jones, Sylvia Lavin, and R.E. Somol, reflecting the diversity of the cross-cultural discussion on the condition of architecture and contemporary culture.
