## **New Testament Survey** Robert G. Gromacki

Before coming to grips with an individual verse or passage in the New Testament, Bible students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a versebyverse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback.
