## Second Chance Jane Green

Jane Green has become a nationally bestselling author with legions of fans through her novels about the true-life dilemmas of real women—their relationships, their careers, their loves, their triumphs and disappointments. In her latest book, Green tells the story of a group of people who haven't seen each other since they were best friends at school. When one of them dies in a terrible tragedy, the reunited friends work through their grief together and find that each of their lives is impacted in ways they could have never foreseen. Warm, witty, and as wise as ever, this is a story of friendship, of family, and of life coming full circle.
