Roger Lockyer

The Early Stuarts: A Political History of England 1603-1642 (2nd Edition) Roger Lockyer

The reigns of James I and Charles I have been more intensively studied in modern times than any other period of British history, and are the subject of much debate amongst different schools of historians.

Lockyer's standard account examines these varying interpretations, but its great strength is that it goes back to the primary sources to consider the issues afresh. This new edition, the first since 1989, has been revised, updated and substantially expanded.
