## **Warp Spasm** Basil King

This is an extremely individual book, a book where the writer puts us through an experience whereby we can see paintings differently, read a story differently, seemingly from the writer's/painter's point of view... This is not a book to borrow, it must always be available for re-reading. As time passes my perception alters and so I must refer to Warp Spasm to help me put a few words to my perceptions, or better still, to help me watch the images change in my mind's eye. Now that is a joy. Hubert Selby, Jr.
