Coming For You: Dirty, Dark, and Deadly Book Three (Volume 3) J A Huss

James, Harper, and Sasha are products of their environment. Born into a secret organization that runs a global shadow government, and taught to kill since they were small, they find themselves both indispensable and expendable to all the people they used to trust. Twenty-eight year old James Fenici has been an assassin since he was sixteen. He's amassed debts and favors from countless Company brothers and participated in hundreds of Company jobs. But there are not enough favors in the world to clear his debt and make him worthy of the only girl he's ever wanted. Eighteen year old Harper Tate is the girl who doesn't exist. Born and raised on a megayacht in a tropical paradise, she was destined to be a secret until now. No history, no records, and manipulated into having no opinions or ambition of her own, Harper is suddenly presented with more choices than she can handle. Thirteen year old Sasha Cherlin is the girl who knows everything and understands nothing at all. Her future is filled with vengeance and death, but her dreams are filled with hope and a promise. A promise who no longer wants her. The game is on, the pieces are in place, and the players have everything to lose. But who can you trust when everyone's a traitor?
