It Might Get Weird Chris Morton

In this follow-up to "You Kids Quit Pooping On The Lawn", Chris Morton continues to document life as a single dad to four precocious children while also recounting the unique (and maybe slightly singed) memories of his youth.

These new stories are perfectly interwoven in his signature style: poignant messages pondering life's lessons learned delivered with humor, wisdom, humility, candor, and a constant underlying theme of the significance of family and friends and the ties that bind as we navigate life's twists and turns together... Sometimes hurtling down a mountain in a purple kamikaze kayak; sometimes stumbling over giant orange Styrofoam cat heads; and sometimes lost on the backwoods logging roads of Northern Maine with only a last-millennium version of the Gazetteer and a hot dog.

Some of us tap our feet to the beat of bluegrass gospel and some of us mosh to Molly Hatchet, but we can all relate to one undeniable fact: That's Life...

... And it might get weird.
