Post Grid is about life after an EMP, electromagnetic pulse.

The power grid has gone down and soon society will go with it. Kelly Wise flees the chaos of the city in hopes of reaching the relative safety of her mother's rural Arizona ranch. Along the way she encounters Jared Malloy, a sheriff's deputy. His gunshot wound makes him more of a liability than a useful ally, but Kelly is a nurse, and without her aid he likely won't live. They might just find the help they need from a refugee Civil Air Patrol ground team that has gathered at her mother's ranch. Kelly and Jared throw their lot in with this diverse group. But the question on all their minds is: will the group's combined skills and knowledge prove to be enough to survive?
