Baseball. The very word brings to mind summer days, a feeling of youthful exuberance, and rebirth. Baseball is nostalgic in its essence, and I hope that I have captured that feeling in this book. The stories of the rise of many young hopeful ballplayers who had the talent and drive to make it to the big leagues and in some cases rise to the very pinnacle of success is what prompted me to write their stories. Over the years of my stint covering the Appalachian League, I witnessed a great many players make it to "The Show" If you are a fan of baseball, as I am, you will enjoy discovering the history of this talent-rich league as well as the biographies of the players and managers who passed through the Appy League on their way up the ladder. I hope you enjoy reading this book as much as I did writing it.
