BE MY (OFFICE) VALENTINE

Wes Robinson may be part of the lost Fortune family, but he's more concerned with the fortunes of Robinson Tech. On Valentine's Day, his company will be rolling out a new computer app that will—allegedly—fix users up with their ideal mate. Wes has nothing against amour; he just has no faith in the perfect, lasting kind. He'll take a passionate fling any day.

Tell that to Vivian Blair, however. Wes's longtime employee with the earnest heart has complete faith that her app will work. So when she and Wes are challenged to use My Perfect Match themselves, it's game on. What follows is a series of dating debacles—and Viv's horrifying suspicion that her Mr. RIGht might be her curmudgeonly boss in the cubicle next door...
