Bridget was an orphan raised by wulvers in a secluded wilderness temple to be its priestess and guardian, but now the outside world has found her and her world will be changed forever. Being suddenly swept up in ancient prophecies and ancestral blood feuds is bad enough, but fighting off the desire ignited in her heart by the proud and arrogant wulver warrior, Griffith, the only man who has ever defeated her in battle, may prove to be her greatest battle yet...

When you're the son of the wulver pack leader, and your father isn't about to roll over and show you his belly, life is tough enough. But when you're the Red Wulver, future King of the Blood Reign Prophecy, it's hard to know your own heart, let alone who to trust while trying to be the liberator of your people. Just as you finally take your fate into your own hands you've got your father, the pack leader, hot on your trail and you run headlong into a deadly ancient enemy you never even knew you had.

And in the midst of the chaos you crash into the aggravating, infuriating and impossibly beguiling, Bridget, the one obstacle in your path you're not sure you want to overcome...
