Ever wonder what strategies billionaire and businessman Warren Buffett follows that make him such a powerhouse in the financial world? Warren Buffett, whose personal wealth totals over \$44 million is among the world's top five richest people, and has become a scion of the financial world since he formed his first business partnership in 1956. Over the next five decades he has become a standard for investors and entrepreneurs; we all wish to find the success he has managed to build for himself and his company. Since his takeover of Berkshire Hathaway in 1969, Buffett has led the company into success, diversifying its investments and purchasing various strong companies. His business acumen and talent for making money has people the world over wondering how they can emulate that success. "The Oracle of Omaha," as he is known, has been making smart and successful financial decisions for one of Forbes' Fortune 500 companies for decades. While his omnipotence is somewhat fabled the truth is Buffet's success in business, investing, and life is based on simple principles. In "I Can Learn From Warren Buffet: Strategies and Advice to Succeed in Business, Investing and Life" those principles are laid for you to begin incorporating into your life. In this book you'll read about how Buffett goes about incorporating these practices into not only his personal life but his business as well. Filled with quotes from Buffett and examples of how he applied those principles over the last five decades, this book will help you make a plan to incorporate them into your life. Whether business, investing or just everyday life, Buffet's approach to all three can have you not only on the road to success but crafting a happy and productive life.
