**Lord Change Me** James MacDonald

**Change is hard. It's even harder without practical guidance on how to do it.**

From author James MacDonald:

*"I have written this book to actually help people change. It's for people who desperately want to change, a practical 'How-to' manual... The truths in this book are stained with my own tears of trying and failing and trying again to be the man God wants me to be. So I have written this with the urgency of a loving heart for you and your situation..."*

James MacDonald is serious about the business of change according to God's Word, and he walks you through it in three phases:

- The Preparation for Change: choosing the right method and partnering with God to select the areas you need to see change
- The Process of Change: exploring the biblical method of saying no to sinful patterns and yes to the things God desires for you
- The Power to Change: knowing how to experience the power of God personally and continuously

*Includes study questions, exercises, and single sentence chapter summaries*
