They're rebels, scoundrels, and blackguards-dark, dashing men on the wrong side of the law. But for the women who love them, a hint of danger only makes the heart beat faster...

#### A scandalous proposal.

Christopher Argent lives in the shadows as the empire's most elite assassin. Emotion is something he tossed away years ago, making him one of the most clear-eyed, cold-hearted, wealthiest, and therefore untouchable men in London. But when his latest target turns out to be London's own darling, Millicent LeCour, Christopher's whole world is turned upside down. Overwhelmed by her stunning combination of seduction and innocence, Christopher cannot complete the mission. She has made him *feel* again. Now, he will do anything to save her life, so that he can claim her as his own...

#### A perilous passion...

When Millie learns what Christopher was hired to do, she is torn between the fear in her heart and the fire in her soul. Putting herself in this notorious hunter's arms may be her only path to safety-even if doing so could be the deadliest mistake she's ever made. But how can she resist him? As the heat between her and Christopher burns out of control, danger lurks in the shadows. Is their desire worth the risk? Only the enemy knows what fate has in store...
