Tricking the Frat Boy (M/M Gay First Time) Hudson Haywood

College seniors Derek and Henry are popular, sexy frat boys who have wronged more than a few girls on campus. Everything in their world seemed perfect, until they met Valentina and Francesca – two very hot Italian underwear models who seemed to be out of their league.

One night at a party, the two hot women make Derek and Henry an offer they cannot refuse. The two women are willing to have sex with the two straight best friends, but only if they put on a very “sexy show” for them. To have a shot at sleeping with the two Italian models, Derek and Henry must perform hot sex acts on each other – something that two straight guys and best friends should not be doing.

As the night progresses, Valentina and Francesca give the two boys one last proposal. If the boys were willing to play a very hot sex game with each other, the women would reward them generously with their cheerleader friend. Unable to resist temptation, the boys slowly give into the women’s demands – at the expense of crossing some very intimate and sexual lines with each other.

Note: This story contains very graphic depictions of adult situations!
