## 23 Things They Don't Tell You About Capitalism Ha-Joon Chang

The acclaimed Ha-Joon Chang is a voice of sanity-and wit-in this lighthearted book with a serious purpose: to question the assumptions behind the dogma and sheer hype that the dominant school of neoliberal economists have spun since the Age of Reagan. *23 Things They Don't Tell You about Capitalism* uses twenty-three short essays (a few great examples: "*There Is No Such Thing as a Free Market*," "*The Washing Machine Has Changed the World More than the Internet Has*") to equip readers with an understanding of how global capitalism works, and doesn't, while offering a vision of how we can shape capitalism to humane ends, instead of becoming slaves of the market.

### **Praise for *23 Things They Don't Tell You about Capitalism*:**

"A lively, accessible and provocative book."-*Sunday Times* (UK )

"Chang, befitting his position as an economics professor at Cambridge University, is engagingly thoughtful and opinionated at a much lower decibel level. "The "truths" peddled by free-market ideologues are based on lazy assumptions and blinkered visions,' he charges."-*Time*
