A Celebration of the Seasons: Goodnight Songs: Illustrated by Twelve Award-Winning Picture Book Artists Margaret Wise Brown

Some fine day, just run away

To a long unscheduled day

To where great clouds go sailing by

Above the birds and butterfly.

Fluffy clouds, butterflies, furry bunnies, and life from a bug's-eye view: This stunning sequel to the *New York Times* bestseller *Goodnight Songs* celebrates the beauty and wonder of nature all year long. Once again, a treasure trove of Margaret Wise Brown's newly uncovered verses receives loving treatment from 12 award-winning artists, including Floyd Cooper, Peter Brown, David Small, Molly Idle, and Bob Staake. From a little bear singing one morning in May to a soft snowfall, mysterious, deep, and glowing, each song is magical.

An accompanying CD, with lilting songs beautifully composed and sung by Emily Gary and Tom Proutt, makes this the perfect gift for children.
