Are you really a Christian?

You may think you are, but you may not be. After all, Jesus himself said that some people will do seemingly “Christian” things in his name but will not truly know him. Or maybe you know you are not a Christian and you wonder what it really means to be one.

To be sure, however, there is clarity from God’s perspective. He is not confused about who does and does not know him. And though our self-awareness is certainly limited, we have been given biblical criteria to help us evaluate whether we are indeed followers of Christ.

Mike McKinley shows us the importance of examining our standing with God and helps us to fearlessly ask the hard questions, ultimately allowing us to see whether we are in the faith and what exactly that entails.
