Eden and After Nan Goldin

Eden and After is a new collection of photographs from one of the most influential photographers working today. For over 30 years, Nan Goldin has created intimate and compelling photographs that tell personal stories of relationships, friendships, and identity while chronicling different eras and exposing the passage of time. Here, Goldin presents photographs of children that capture the energy, emotion, and mystery of childhood. This beautifully produced book features 300 color illustrations and an introduction from Guido Costa, an art dealer and close friend of the artist.
