George Washington: First Guardian Of American Liberty Michael Crawley

Who was George Washington? You probably know him as the first president of the United States, the commander of the Continental army who led American farmers and innkeepers in a victorious eight-year war against the British. But where did he get his military experience? Why was he picked to take command of the army? Why was he the only American president ever to be elected unanimously (twice!), and did he really chop down that cherry tree as a kid?

In this book entitled *George Washington: First Guardian of American Liberty* by author Michael Crawley, you'll follow the course of George Washington's life, from his birth at Ferry Farm in Virginia in 1732, to his death at his Mount Vernon estate in 1799. You'll learn how his early fame as a hero of the French and Indian War, and his illustrious marriage to a wealthy widow, led to this farm boy becoming one of the most important men in Virginia, a delegate at the Continental Congress where the Founders of America gathered to decide the nation's fate.

The first guardian of American liberty looks serene in his portraits, but he didn't always rise above the fray. Washington fought for what he believed in, and his political convictions shocked contemporaries like Thomas Jefferson. Do you know what kind of country George Washington wanted America to be?
