Loving Donovan Bernice L. McFadden

Despite being born to a broken-hearted mother and a faithless father, Campbell still believes in the power of love...if she can ever find it. Living in the same neighborhood, but unknown to Campbell until a chance meeting brings them together, is Donovan, the "little man" of a shattered home—a family torn apart by anger and bitterness. In the face of these daunting obstacles, Donovan dreams of someday marrying, raising a family, and playing for the NBA. But, deep inside Campbell and Donovan live the histories that have shaped their lives. What they discover—together and apart—forms the basis of this compelling, sensual, and surprising novel.
