The Bargain (Vargas Cartel Series Book 1) Lisa Cardiff

Three weeks, twenty-one days, or five hundred and four hours...

That's all it took to derail my life and twist it into something unrecognizable. One moment I had Evan, the man I thought I'd marry. The next moment shattered the illusion.

Now I have no one.

Except him.

Ryker Vargas, and I don't really have him. He'd never belong to any one but himself. He sucked me into a web of lies and now it's too late. I took the bait. I'm a prisoner of the Vargas Cartel.

I never thought I'd be another statistic, another girl abducted in a foreign country, my entire future washed away by an impulsive, split second in time.

But it's true.

My name is Hattie Covington and I'm a statistic, but statistics never tell the whole story.
