The Objects Of My Affection

Sarah Lugg

The Objects Of My Affection Sarah Lugg

Shaping everyday, ordinary objects such as dried flowers, shells, and buttons into fascinating collages, English artist Sarah Lugg creates what she likes to call "visual diaries." In her first major gift book, *The Objects of My Affection*, Sarah's "visual diaries" take a turn toward the romantic. Sarah marries her collections of feathers, stamps, stones, and flowers with the romantic poetry of classic writers such as Burns, Shakespeare, Keats, Shelley, and Longfellow to give readers and collectors a message of love and romance. This beautiful gift collection of Sarah's artwork features love, hearts, and romantic creations that are sure to capture readers' emotions.
