To End All Wars: Woodrow Wilson and the Quest for a New World Order

Thomas J. Knock

To End All Wars: Woodrow Wilson and the Quest for a New World Order Thomas J. Knock

In his widely acclaimed *To End All Wars*, Thomas Knock provides an intriguing, often provocative narrative of Woodrow Wilson's epic quest for a new world order. The account follows Wilson's thought and diplomacy from his policy toward revolutionary Mexico, through his dramatic call for "Peace without Victory" in World War I, to the Senate's rejection of the League of Nations. Throughout Knock explores the place of internationalism in American politics, sweeping away the old view that isolationism was the cause of Wilson's failure and revealing the role of competing visions of internationalism--conservative and progressive.
