How would you survive a zombie apocalypse? Are you more of a "shotgun & machete" person or is the "pistol and hatchet" approach more suitable? Do you run for the wilderness or hide in your basement? Would you form a group to survive or strike out on your own? This book is part survival guide, part interactive workbook, and part fictional outbreak journal. Presented DRM free so that you can print as many copies of the workbook sections as you like and use them in classrooms, team building events, or with friends. Zombie Survival Horror is an incredible genre and cultural phenomenon through which fans, teachers, leaders, and students can explore themes of social collapse, epidemiology, natural disaster response, wilderness survival, interpersonal dynamics, sustainable living, and modern combat tactics.
