**BLUE STEELE - BOUNTY HUNTER**

When murder suspect Vincent Kane jumps bail, Blue decides to hunt him down for the ten thousand dollar bounty.

However, when Kane's guilt comes into question, Blue keeps searching for the man, but not just for the money. She wants answers.

Who really killed Vincent Kane's wife? Was it her lover, or is Kane far more devious than even the police suspect?

In the end, Blue discovers the truth and learns that the human heart holds many secrets.

When Blue goes back to her hometown, a quiet visit turns into a nightmare, when her sister, Jenny, is accused of committing murder.

With two of the town's leading citizens backing up the accusation, Blue knows that the odds are stacked against her sister.

Determined to get to the truth, Blue keeps digging, and when the truth is finally revealed, it's darker and deadlier than she could have ever imagined.

Blue was looking forward to a day of self-indulgence, when a bank robbery at a local mall forces her into action.

The robbers have taken the daughter of Blue's best friend hostage and Blue follows them in a relentless pursuit, determined to get the little girl back safely.

With the help of a mysterious stranger, Blue tracks down the murderous thugs, however, circumstances soon turn deadly, and Blue and her new friend find themselves just moments away from death.

With little Amy's life on the line, Blue pulls out all the stops and her captors soon learn why the female of the species is the most dangerous.

While working as a bodyguard, Blue tries to stop a robbery, but the bandits elude her and attempt to exit the scene of the crime.

They're caught by the police before they can make their escape, but the money and jewels from the robbery are no where in sight.

With no evidence to hold them, the cops must soon release the crooks and admit that they've been outsmarted.

However, Blue is on the case and determined to solve the mystery, a mystery with a five thousand dollar reward.

Blue is on the hunt for a runaway bank robber, but a call from an old client sends her rushing to his rescue.

Once the client is safe, Blue, with the help of an old friend, turns her attention back to the bank robber. However, when she finally crosses paths with him, the results are shocking, and deadly.

While searching for a bail skip in The Piney Woods of Texas, Blue gets dragged unexpectedly into a life and death struggle with a murderous madman.
