This Bible reading plan was put together for the benefit of the Bible Student who is interested in reading the Torah Portion as well as the entire Bible in one year's time. Each day is broken into categories and the Scriptures given are not 'straight through', but relative to similar Scriptures. For example, day one, the reader will read from the Gospels, (not just starting in Matthew 1 to pick up the next day in Matthew 2), but to read like Scriptures all at once: John 1:1-18, Mark 1:1, Luke 1:1-4, 3:23-38, and Matt. 1:1-17. This offers the reader a more diverse reading schedule as opposed to reading about the birth of Yeshua several times during the year. Not that that is a bad thing, but now the reader will read that story from the perspective of each writer, all at once. I pray you enjoy this study and that it will enhance you and your family's time with Father YHWH. Shalom, Dena
