## My Awesome Life, Don't Hate A. Zamot

Hailey Fletcher is a hold nothing back, full of life, shewolf. She's the next in line to become Alpha of her father's pack. She just has to make it to 2 weeks past her eighteenth birthday to claim her position.

Join Hailey as she goes thru an adventure full of laughs, loves, pranks, hate, an evil step-sister and finding her true mate.

Expert:

I roll over from my nap to see Nicole staring at me. I scream "boogeyman!" on the top of my lungs while pointing to her. She just rolls her eyes at me and waits for me to finish.

"Nicole, what can I do for you?"

"Neil's good looking isn't he?" Ok, where is she going with this? I just look at her like she has, well like she's Nicole.

"Since dad and Alpha thought he could be a good influence on you and keep you out of trouble" (So this is why I have to babysit him, he's actually babysitting me. Nice.) "I want you to tell him all the great things about me. I'm thinking I need to upgrade my boyfriend and since he's going to be Alpha and I have beta in me, we would be a great pair."

"Sure," I say and I can see a smile form on her face. "But you have to tell me what's so great about you. I don't like to lie." I can see her face turn angry. Yikes, that an ugly expression on her.

"Do you have to be a brat all the time Hailey? I swear your mate is going to be so damn unhappy with you. Look at you. I can't even tell what sex you are."

"Well seeing as my boobs are bigger than yours I'm guessing I'm the same as you, just better," I tell her with a smirk.

"Just do it!" She screams at me as she leaves. "Are you getting paid by Nike to endorse them? If so I want a cut," I scream back. Stretching, I notice my phone blinking. I wonder what my boys want.

Warning: due to cursing, a spunky attitude, and some sexual contact and references 18 and older is preferred.
