Lewis Carroll

The Complete Stories and Poems of Lewis Carroll Lewis Carroll

This commemorative oversized volume of the complete collection of stories and poems of Lewis Carol showcases his ingenious use of word play, inverted logic and satire. Lewis Carroll was the pen name and, it could be claimed, the alter ego of the Reverend Charles Lutwidge Dodgson, a mathematician, writer and photographer. His creations, especially *Alice's Adventures in Wonderland* and *Through the Looking Glass and What Alice Found There*, have been translated into countless languages and are as loved now as they have ever been. His neologisms ("curiouser and curiouser") and turns of phrase have forever infiltrated and enriched our language and culture.
