"Who am I?" Simple question. "You are ill," says the psychiatrist. "You are a sinner!" shouts the preacher. "You are so much more," offers Jesus. "David has creatively managed to synergize various concepts from the schools of psychology with the practical principles of the Judeo-Christian faith." Mark Bryan, Glen Leven Presbyterian Church, Nashville. "As a modern day, charismatic, spirit-filled, evangelical, progressive, "you want some of this here" kind of Christian, I found David's book to be more inspiring than a 24-7-365 Pentecostal revival in Florida! David has most accurately articulated the truth that really makes us all free!" Rodney Beard, Living Word, Antioch, TN. "David Jones provides a pragmatic approach to weaving various psychological approaches into the Gospels in a way that provides... a fresh look at familiar stories and mental health professionals with strategies for bringing clients' Christian faith into their treatment." Nancy Nolan, Vanderbilt University.
