Ms. Esdaile weaves a magical tale around a gift shop owner and a radio executive. I thoroughly enjoyed the 'angel' in the form of the little old lady who visits the shop one day and gives our heroine a tiny golden angel. Then, things really start heating up! What an artist Ms. Schuster has proven to be. In her story, WAIT FOR LOVE, she makes me believe in second chances. A misunderstanding between two shy souls in college turns into a fiery love affair many years later when they meet again. Curt is an ex-basketball player turned coach. Janice is an interior designer extraordinaire. Once the air is cleared and the misunderstanding is explained sparks are ignited. What chemistry! And in Linda Walters' tale a long-time boyfriend has to sit up and take notice because his lady is tired of being ignored.
