Den of Thieves James B. Stewart

A #1 bestseller from coast to coast, *Den of Thieves* tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice.

Pulitzer Prize–winner James B. Stewart shows for the first time how four of the eighties’ biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine —created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America’s most expensive lawyers to bring this powerful quartet to justice.

Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky written especially for this paperback edition, *Den of Thieves* weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

Many people spending their time frame by playing outside together with friends, fun activity using family or just watching TV the whole day. You can have new activity to invest your whole day by reading a book. Ugh, do you consider reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smartphone. Like Den of Thieves which is having the e-book version. So , try out this book? Let's notice.

Mildred Shaw:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Den of Thieves can make you feel more interested to read.
