**Fear of Hat Loss in Las Vegas** Brendon Burns

**A true-life travel tale of fate, coincidence, drugs, stand-up comedy, mushrooms, hookers, aliens, Vegas, and massive debauchery, from an award-winning comedian**

This is the true story of four men—Brendon Burns and his friends Barry Castagnola (the everyman), Paul Provenza (an Italian New Yorker, devout atheist, actor, and movie director), and Keith (Barry's dad and best friend)—and their search for happiness and redemption in the heart of the Nevada desert. In early October 2004, Brendon Burns—a delusional, god-fearing drug addict, manic depressive, and award-winning comedian—has a vision of happiness. He imagines himself sitting with two friends in a convertible in the middle of a desert, and for once he feels totally in control of his life. With the (slightly inebriated) voices in his head assuring him that he can recreate this perfect moment, he clearly has no choice but to gather the troops and head to the U.S. in pursuit of his dream. Demented, depraved, dangerously addictive, and yet with a deep heart, soul, and spirit, this is a tale of debauchery, fate, coincidence, stand-up comedy, and, ultimately, friendship. Rude, insane, and in your face, it is the story of the perfect road trip. What happens in Vegas stays in Vegas—unless of course it's really funny.
