Legal Writing

Lisa Webley

Legal Writing Lisa Webley

Legal Writing guides students comprehensively through this vital legal skill and addresses a range of assessment methods, from exam questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions.

Lisa Webley explains how to reference others' work clearly and correctly, making this book a useful tool for students concerned about issues of plagiarism. It also focuses on how to develop and communicate legal arguments, with both good and bad examples of written work considered and discussed in the text.

Legal Writing is particularly useful for undergraduate students, especially at the beginning of degree studies, and to GDL and CPE students too.

This fully revised third edition includes:

- More guidance on reading, including speed reading techniques, and on note-taking skills
- A wholly revised chapter on referencing to employ the OSCOLA style, which has become the default style of most UK law schools in recent years
- More worked examples throughout the text, and additional examples from across the legal curriculum on the companion website

An improved companion website with increased guidance for revision, FAQs and more multiple choice questions allow students to test their progress and further engage with the topics in the book.

From reader reviews:

Robert Jones:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each publication has different aim or even goal; it means that guide has different type. Some people experience enjoy to spend their time for you to read a book. These are reading whatever they have because their hobby will be reading a book. How about the person who don't like examining a book? Sometime, man feel need book after they found difficult problem or even exercise. Well, probably you will need this Legal Writing.

Richard Puccio:

In this 21st millennium, people become competitive in every single way. By being competitive right now, people have do something to make these survives, being in the middle of the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Sure, by reading a e-book your ability to survive raise then having chance to stay than other is high. For you personally who want to start reading a new book, we give you this kind of Legal Writing book as beginning and daily reading reserve. Why, because this book is more than just a book.

Gloria Pruitt:

Here thing why that Legal Writing are different and trusted to be yours. First of all examining a book is good but it depends in the content of it which is the content is as scrumptious as food or not. Legal Writing giving you information deeper since different ways, you can find any guide out there but there is no book that similar with Legal Writing. It gives you thrill reading journey, its open up your own eyes about the thing in which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of Legal Writing in e-book can be your alternative.

Kenny Hardy:

Do you one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys that aren't like that. This Legal Writing book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to supply to you. The writer associated with Legal Writing content conveys thinking easily to understand by most people. The printed and e-book are not different in the information but it just different by means of it. So , do you continue to thinking Legal Writing is not loveable to be your top list reading book?
