Lost Face: The Best of Jack London, Volume 2 Jack London

Experience first-hand the dramatic ebb and flow of emotion as classic literature is transformed into the world of your imagination like never before. In *Lost Face*, the listener sits right beside a tribal prisoner as he plots to avoid the painful beheading that awaits him next.

Grand musical themes with flowing melodies and dynamic rhythms support the story. Intense, stunning atmospheres of dark, sonic textures abound. Drums and percussion fill the background as rich, symphonic movements rise and fall, teleporting the audience to a foreign yet strangely familiar land. A compelling and captivating listening experience, both dramatic and introspective...and ultimately inescapable!
