Not Your Mother's Book . . . On SEX

Each title in the Not Your Mother's Book series contains approximately 60 real-life stories dedicated to a unique theme, drawn from the passion and experience of dozens of writers in a whimsical and entertaining mix of irreverence and humor. Founded by former coauthors and editors of the Chicken Soup for the Soul series, this similarly styled anthology series foregoes the sad, sappy, preachy, or death-oriented stories that were that series' hallmark, and unlike that series, is never afraid to be a little risqué. These stories are funny, daring, different, and smart.

Looking at the funny side of sex, this book is a compilation of healthy, playful, and irreverent stories from mature relationships to clandestine physical encounters, from surprising mishaps to embarrassing moments. With 69 carnal stories and chapter titles including “Best Laid Plans,” “Sex and the Digital Age,” and “Costumes and Props Required,” this book is guaranteed to be a stimulating read, again and again.
